Conditions of acceptance of advertising are printed on the reverse of every advertising invoice and are also available from Pagefast Ltd or online at: www.pagefast.co.uk/conditions. In addition the following supplementary conditions apply: For Classified Advertising only: Every effort is made to comply with the advertiser's wishes however Microflight Flying reserves the right to alter copy if necessary.

Notes to Buyers and Sellers: Sellers must include the registration letters of any individual aircraft being offered for sale (or for unregistered aircraft must state 'unregistered'). Otherwise we reserve the right not to accept your advertisement. Attention is drawn to the Business Advertisement Disclosure Order 1977, which stipulates that trade advertisers must indicate that they are selling goods and services in the course of carrying on their business. It is the trader's responsibility to comply with this order and any trader not doing so runs the risk of prosecution. Traders must indicate your status when sending in copy. The suffix 'T' will be added to the end of the advertisement.

Buyers can phone the BMAA office in Deddington on 10869 338888 for a free while-you-wait status check on the permit for the aircraft you are considering. Simply quote membership number and the aircraft registration letters.

CLASSIFIED ADVERTISING DEADLINES: We always aim to include all classified adverts received in the earliest possible issue.

The magazine is published monthly so any adverts received after going to press will be included in the subsequent issue. If you require a specific issue please state clearly on the coupon or copy.
